

Call for Co-Spokesperson, Treasurer and Executive Committee Members:

The Executive Committee is the second highest decision-making body of FYEG after the General Assembly and is responsible for running the organization between General Assemblies, including its political and communication activities as well as representing FYEG externally.

About the role

Being a member of the Executive Committee is a demanding and time consuming role, but it is also extremely rewarding with much cross Europe-traveling (when the sanitary situation allows), a multicultural working environment, possibility to decide on FYEG's development and being at the center of a pan European project. We are looking for people who believe in the green principles and are willing to voluntarily dedicate their time during the coming year.

The mandate of the Executive Committee Members will last until the next General Assembly, planned to take place in Spring 2022.

If the IRP amendment proposed by the current EC is approved by the General Assembly, the EC members will receive a monthly volunteer allowance.

- The opportunity to work for a dynamic, youth-powered, and growing European political youth organisation
- A year in which you will get familiar with European level (youth) policy and the field of European Youth NGOs.
- Space to work within the Green family on international, European, and national contexts
- A chance to improve your professional, political, and activist skills and enhance them with hands-on experience
- A possibility to work on a project basis in multicultural and international teams and through this develop your teamwork and leadership skills
- A lot of hard work and a lot of fun
- A year you'll never forget

Responsibilities

The Executive Committee of FYEG is composed of 8 members, including two co-Spokespersons, one Treasurer and five Board Members. At least half of them must be people who identify as woman (cis and trans) and/or trans and/or genderqueer.

Co-Spokespersons

The Co-spokespersons coordinate the Executive Committee and represent FYEG to the public. This includes working with media and social media, producing political statements and representing FYEG towards the European Green Party and other organisations just as well as medially. You should have very good communication skills and experience with the media. You should also be willing to take extra responsibility for the overall work of the Executive Committee and be a good organizer and team leader with vast experience in teamwork.

If you have questions about this role you can contact the current spokespersons: Eleanor (eleanor@fyeg.org) and Mina (mina@fyeg.org).

Treasurer

The Treasurer is responsible for the yearly budget of FYEG. You should either have experience in the financial management of an organisation or be willing to learn. You should have a feeling for what kind of costs a board and an organisation can have. You should set goals and priorities for where to put the money and give regular updates to the EC on finances. You also have the responsibility for fundraising. The treasurer works closely together with the Secretary General and the Office, which ensures the daily financial management of the organisation. This position is therefore advisable for a person who is based in or can frequently visit Brussels. The treasurer is also a regular EC member and is therefore also expected to take some of the tasks described below.

If you have any questions about this role you can contact the current treasurer, Stefanie (stefanie@fyeg.org).

Executive Committee Members

The Executive Committee Members are responsible for making strategic decisions about the organisation during their mandate and between General Assemblies. The main tasks are divided at the beginning of the mandate among the EC itself. They mainly consist of preparing and running the various activities FYEG conducts throughout the year (such as the summer camp, seminars, training, conferences). It is highly recommended to have experience in managing and running such activities. Other tasks that EC Members must take on are the relations with the Member Organisations, Working Groups support, all the communication tools of the federation including the e-magazine "Ecosprinter", participation in other organisations' activities. The work includes a lot of emailing, video calling and other work behind your computer as well as a lot of traveling (visiting MOs and having IRL EC meetings). As an EC member you also represent the organization to our partners, member organizations, as well as legally towards the Belgian state.

For questions contact the current EC members Clara (clara@fyeg.org), Gülce (gulce@fyeg.org), Liam (liam@fyeg.org), Milan (milan@fyeg.org) and Wanja (wanja@fyeg.org).

Please take into consideration that the work in the EC is time consuming.
